Letter dated the 28th July 1931, from Messrs. Barton Son & Co., Ltd., Bangalore, to the Inspector of Factories, C.& M. Station, Bangalore.

Petition regarding boys working in Factory Section 21(1)(b) & 21(2)

--

With reference to the above, we would thank you to kindly grant us exemptions on the following grounds. Section 30(b).

1. The boys are not employed by us, and in most cases are sons or relatives of our Contractors who feed them.

2. Their work is intermittent and not continuous, and often they do not work fifteen minutes in an hour, but are required for blowing fires and cleaning Silver, etc., Even if they are in the factory 9 or 10 hours their actual work would not be even four hours, spread over the above time, but it is necessary for them to be there to help the contractor when required.

3. We can gurantee that the boys play much more than work.

4. They are passed medically fit by the resident Surgeon

If the exemption is not granted it will probably mean a great loss to us, as our contractors may go to the Bazaars to work where there is no factory Act.

We trust therefore you will see your way to grant exemption to the boys working in our factory.

Thanking you in anticipation,
